

Student's first name _____ Teacher _____

How do you save water at home?

Draw or write your answer below

Did you know?

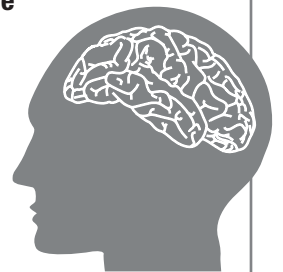

A tomato is about 95% water. An apple, a pineapple and an ear of corn are each 80% water.

https://www.fcwa.org/story_of_water/html/facts.htm

Water makes up 75% of your brain.

Water makes up 75% of a living tree.
